Birmingham Council of Faiths**

**Faiths, Health & Wellbeing Seminar –
April 2016**
What's New in Healthcare

Dr. Peter Rookes PhD. MPH. DHSA. FETC. RCNT. RGN. RNMH
Mrs Jean Rookes MA. BEd. BSc.

2. Introduction

The Health Service Reforms resulting from the **Health & Social Care Act** came into being on 1st April 2013.

Essential principles:-

1. Be clinically led
2. Have greater patient and public involvement in decision making
3. Quality of care should be at the centre of all we do

3. NHS Reforms (simplified)

- **PCTs** (Primary Care Trusts) abolished.
- **NHS England** established
- **Local CCGs** (GP Clinical Commissioning Groups) commission services from NHS Trusts & in some cases from the 3rd & Private Sectors.
- **Provider Trusts** (Hospital & Community Services) work towards NHS Foundation Trust status.
Birmingham Community Healthcare FT – April 2016
- **Public Health** transferred to Local Authorities

4. NHS Reforms (Simplified)

- **Local Health and Wellbeing Boards** agree health and social care strategy, and facilitate joint working between NHS and Local Authorities
- **Healthwatch** England and Local Healthwatches replaced LINKs
- **Monitor** has quality responsibility in addition to finance, efficiency, effectiveness, etc
- **CQC** (Care Quality Commission) responsible for care standards – extended to GP Practices
- **LA Overview & Scrutiny Committees** continue

5. FYFV – Five Year Forward View

- Published Oct 2014 by Simon Stevens, Chf Exec, NHS England
- Accepted by all political parties:-
- Prevention & public health
- Greater control of own care
